

Basketball

Team Sponsorship Agreement

Thank you for sponsoring a Madison Youth Basketball team this season! Your sponsorship makes it possible for the teams to have professionally printed uniforms they can be proud of wearing.

Your sponsorship includes your or your business's name on one team's uniform. A full sponsorship (\$200) of a team gives your name primary position on the uniform shirt. Uniform shirts are professionally screen printed so your business name can be clearly seen.

Remember, each team has approximately 7 players and each team play many games! Madison Youth Basketball is a well-attended sport --- drawing parents, grandparents, aunts and uncles, and more to the games --- where they can see your name and the commitment you've made to this important opportunity for Madison County's youth. And to thank you for your commitment to Madison youth, at the end of the season, you will be presented with a framed team picture to display in your business!
